Fixed fields display issue in a record view in Connexion client

Last updated: Tue, 01 Oct 2019 13:33:01 GMT

Symptom

• Fixed fields display issue in record view

Applies to

• Connexion client

Resolution

1. This is a DPI issue. If you type DPI after clicking on the Windows button, click on Make text and other items larger or smaller then click to change the DPI. Normal is 100 or 125, if it is higher set to 125.
