How do I change the URL of a repository in Digital Collection Gateway?

Last updated: Thu, 15 Sep 2022 17:26:41 GMT

Applies to
- Digital Collection Gateway

Answer
This functionality is limited to OCLC access, so if you would like to change the URL of a repository in Digital Collection Gateway please contact OCLC Support.

Additional information
Please note that there may be a lag in Digital Collection Gateway for re-indexing the repository. What this means is that you might get a Uniqueness Failure during testing. If this occurs, please wait an hour or so and try again.
