WorldShare Interlibrary Loan Release Notes, June 2020

Last updated: Fri, 29 Oct 2021 21:03:02 GMT

Release Date: June 21, 2020

Introduction

This release of WorldShare ILL provides a number of new features and enhancements in addition to numerous bug fixes. These features will help you manage more complex workflows, including:

- More quickly find lenders and e-resources by viewing knowledge base details on the Holdings page
- Deliver articles with additional fullfillment types, reducing upload errors

Many of these enhancements are the direct result of your feedback.

Recommended actions

For this release, we recommend that you review the following checklists and complete the relevant tasks so that you can adjust your policies and workflows and train your staff. These checklists identify updates that we have determined as significant for most institutions. We encourage you to review all of the items in the release notes to determine whether there are other items that might require additional action or follow up by your institution.

Administrative actions

These items require immediate action or decisions.

INCLUDE REQUEST ID WITH PROBLEM REPORTS

When reporting an issue with WorldShare ILL, it's very helpful to include the Request ID. Including this information allows us to directly trace what happened on the request we are troubleshooting.

NEW FEATURES AND ENHANCEMENTS
More quickly find lenders and e-resources by viewing knowledge base details on the Holdings page

You can now view holdings from the WorldCat knowledge base on the Holdings page:

In addition, the knowledge base holdings information will appear in the holdings detail pop-up when the blue hyperlink in the Holdings column is clicked:

Deliver articles with additional fulfillment types, reducing upload errors

You can now use Article Exchange for the following fulfillment types:

- ISO-ILL
- Provider

This is in addition to the fulfillment types that already had Article Exchange capabilities:

- OCLC ILL
- Purchase
This change should reduce the number of errors you receive when using Article Exchange.

For more information, see Article Exchange.
