How do I remove a GLIMIR holding when my holdings no longer display on the bibliographic record?

Last updated: Wed, 03 Mar 2021 20:25:47 GMT

Applies to

- Connexion client

Answer

1. Search the title in Connexion to open the bib record
2. Go to Cataloging > Show > All GLIMIR Cluster Records
3. Find the record that is marked as Held
4. Double click to open the held record
5. Go to Action > Holdings > Delete Holdings
