Find an overview of the Analytics module and learn how to access reports in WorldShare Reports.

**Overview**

You can use the tools available in Reports to monitor your institution's activity within the WorldShare application, including reports on WMS activity and cataloging work in Record Manager.

**Note:** What you see in the WorldShare interface may vary depending on your roles.

Within the WorldShare interface, navigate to **Analytics > Reports**.

In this area, you can open:

1. **Reports**: to run and export standard WorldShare Reports
2. **Report Launch Pad (Report Designer only)**: to run standard reports, design custom reports, and/or save, edit, export, or schedule reports
Open and close reports

Open a new standard report

1. In the left navigation, click Reports.
2. Click a report category accordion to expand the menu.
3. Click the name of the report you wish to run. The report will open in a new browser tab.
