Why is my ILLiad Default Holdings Option grayed out in Borrowing?

Last updated: Fri, 11 Mar 2022 14:46:26 GMT

Symptom

- When you are in OCLC and looking for Holdings, the Default Holdings is grayed out

Applies to

- ILLiad

Resolution

In the ILLiad Customization Manager, there are two keys for Custom Holdings that are blank in which you need to fill in:

1. OCLCILLoanHoldingsPath - For Loans
2. OCLCILLArticleHoldingsPath - For Articles

After you fill them in, you will need to restart the ILLiad Client.
