How do I use the ATLAS Integrated SAML on my Server?

Symptom

• You want to use ATLAS Integrated SAML on your server

Applies to

• ILLiad

Resolution

If you want to use the ATLAS Integrated Module, here are the steps:

1. If you are self-hosted, please use the RemoteAuth: Configuring the Integrated SAML Module instructions.
2. If you are hosted by OCLC, please ensure you understand the RemoteAuth: Configuring the Integrated SAML Module instructions and contact OCLC Support.
